

Software Developer

Description

Link Technical Talent is seeking a talented and motivated **Software Developer** to join our remote engineering team. The ideal candidate has strong programming skills, experience building scalable applications, and a passion for creating high-quality software solutions.

You will collaborate with product managers, designers, and engineers to develop innovative applications that deliver real business value.

Responsibilities

- Design, develop, test, and deploy scalable software applications.
- Write clean, maintainable, and efficient code following best practices.
- Collaborate with cross-functional teams to translate requirements into technical solutions.
- Participate in code reviews, debugging, and performance optimization.
- Work with version control systems (Git) and CI/CD pipelines.
- Troubleshoot production issues and implement long-term solutions.
- Continuously improve development processes and adopt new technologies.

Qualifications

- Bachelor's degree in Computer Science, Software Engineering, or equivalent experience.
- **2–7+ years** of professional software development experience.
- Proficiency in one or more languages:
JavaScript, Python, Java, C#, Go, or Ruby.
- Experience with modern frameworks:
 - Frontend: React, Angular, or Vue
 - Backend: Node.js, Django, Spring Boot, or .NET
- Experience with REST APIs and databases (SQL & NoSQL).
- Familiarity with cloud platforms (AWS, Azure, or GCP).
- Strong problem-solving and communication skills.
- Ability to work effectively in a remote environment.
- Agile/Scrum development experience.
- Knowledge of Docker or Kubernetes.
- DevOps tools and CI/CD exposure.
- Understanding of application security best practices.
- GitHub or open-source contributions.

Job Benefits

- 🔗 Competitive salary + performance bonuses
- 🔗 100% Remote work flexibility
- 🔗 Health, dental & vision insurance
- 🔗 401(k) with company match
- 🔗 Paid time off & holidays
- 🔗 Career growth and learning opportunities
- 🔗 Collaborative remote culture
